Dear Perspective Customer,

Thank you for your recent inquiry about the Precipitator 360° exclusively available from RGG Distributing, Inc. We require all new accounts to fully complete our Business Application.

When submitting the business application, please also provide the following current documents that we are required to keep on file (some may only apply to wholesalers):

- State issued business license or Federal E.I.N. document.
- State resale certificate (indicating you are a reseller & therefore do not need to pay sales tax on your purchases from us). This is required for all states except: Alaska, Montana, Oregon and Delaware.
- Credit Card Authorization Form – required if you plan on using a credit card for payment.
- Other information may be required based on the nature of your account.

Payment Terms for new accounts will be: Cash in Advance, COD/Cashiers Check or Credit Card.

For newer businesses, if you are interested in establishing credit after 3-6 months of history with RGG Distributing, Inc. we will evaluate your payment history, personal credit score, and trade references to determine if credit may be granted. COD/Company Check may be an option as well.

For established businesses, we will evaluate personal credit scores, trade references, and Dun & Bradstreet reports to determine credit worthiness upon account set-up.

Upon approval of your business application, we will send you a welcome letter and a wholesale dealer list. If you require a list immediately, we will be happy to provide you with a complete list that offers suggested retail prices to get you started.

We look forward to doing business with you!

Thanks again for your interest in RGG Distributing, Inc.
